Dear Mrs. Oertle:

On August 1, 1998, we received a document signed by Loy Crapo in which he assumed your late husband's reclamation liabilities on the unpatented mining claims UMC 188567, 214915-6, 213074, 238650-2, 342807-8, 342812-3, 257772-4, 257776, 258458, 213072-3, 238626-7, located in Sections 23, 24 and 26, T. 23 S., R. 9 W. V. Lee Oertle had submitted a notice to conduct mining activities on August 15, 1990, and it was originally serialized UT-055-90-16N, then reserialized UTU-070663. This notice was accepted by our office on August 26, 1990, under the 43 CFR 3809 regulations for surface management. Since Mr. Crapo's case file included activities on the same claim block, we are closing your husband's case file and combining it with Crapo's.

If you restart any mining related activity that causes surface disturbance, then you must re-notify this office at least 15 days prior to the start up of your operations.

Thank you for submitting your notice and for your support in proper management of public lands.

Sincerely,

  
Rex Rowley  
Area Manager
